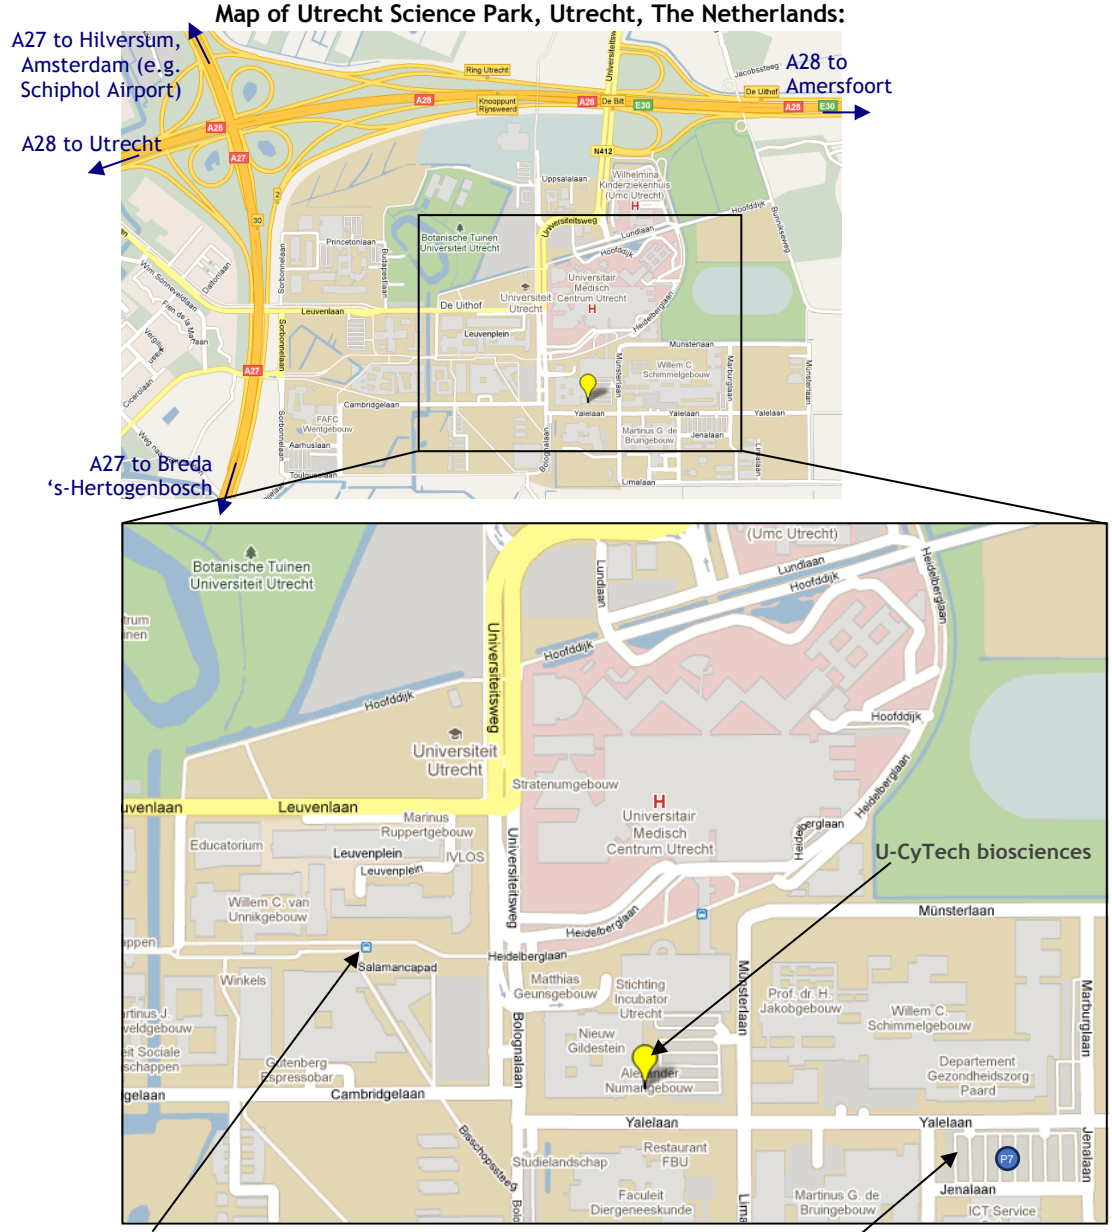
Map of Utrecht Science Park, Utrecht, The Netherlands:



Tram/bus stop 'Heidelberglaan'
The best way to travel to the Utrecht Science Park is by public transport. From Utrecht Central Station you can either take a tram (number 22) or a bus (number 28). Every 30 minutes there is a direct train connection between Schiphol Airport and Utrecht Central Station, which only takes half an hour.

Parking facilities near the Alexander Numan building
The Utrecht Science Park is accessible by car. Via the A28 you will enter the Utrecht Science Park from the north via the 'Universiteitsweg' (University Road). On the campus, follow the directions of 'Diergeneeskunde', which is also located on the 'Yalelaan'. The recommended parking facility is 'P7 Jenalaan' (a parking fee is charged).
